AUCTION TERMS & CONDITIONS

- Payment for all purchases must be made on the night of the auction in the Barn Office next to the Ag Expo Arena. Cash, checks and credit cards are accepted. Credit cards are subject to a 3% service charge. Checks returned for insufficient funds will be subject to a \$25 service charge. Upon payment, you will receive a receipt indicating the current market value of your purchases and the amount of advertising expense/contribution for tax purposes.
- We will honor arrangements made in past years for payment after the auction. Please speak with auction staff if you wish to do so and still checkout after the auction. **All purchases must be settled in full within 10 days. All payments will be made to: CCE of Wyoming County.**
- All 4-H members receive proceeds from the sale of their animal. A nominal commission is collected from members to help defray auction and program expenses.
- All animals are sold live, by the pound (with the exception of poultry and baked goods). **Buyers may choose to send purchased animals to a packing plant, resell them or take them home.** If a buyer would like to resell an animal to a packer or another individual, they may do so on their own, typically for fair market value.
- **All beef will be sold by the whole or half for in person bidders only, online buyers must purchase a whole animal.** The high bidder on a beef animal will have the choice of taking the whole animal or just half. If they want half, it must go to a participating packer of the high bidder's choice. The second half will then be sold with the stipulation that it will be processed at the same facility as the first half.
- **All lambs and hogs will be sold whole.**
- If you buy an animal and wish to donate it back to the 4-H Livestock Program, please notify the auction staff as soon as it is purchased. Those animals will be resold at the end of the species sale and all proceeds from the resale will go to the Wyoming County 4-H Livestock Program.

PROCESSING GUIDELINES

- Local packers & processors that are cooperating with our *auctions* (**Facilities, animals and processing are under the Federal Inspection Program*):
Warsaw Meat Packing*, Warsaw 585-786-2820
Grizzly's*, Portageville..... 585-476-2249
Falconer Meats, Arcade 585-457-3214
SK Meat Market, Batavia 585-322-4342
Kramell's Meat Market, Wyoming..... 585-689-5376
Burly Bros. Country Butchery, Attica..... 585-708-4122
- **When you register for your buyer's number, please indicate which packing plant you would like to process your animals. Animals will start moving out immediately after each species finishes selling. *Notify the auction clerks during registration if you plan to use more than one processor.***
- Free trucking will be provided for animals to most participating packing plants, courtesy of the 4-H Livestock Advisory Committee. Please see Processing Fee Schedule for details.
- Due to the great success and size of our auction, some animals may need to be held off-site until processors can accommodate them. We appreciate your understanding in this matter.
- Buyers must contact the packer of their choice on the night of the auction to make arrangements for processing. Representatives from the facilities will be present during the auction to take your processing instructions. If you do not contact your packer by Friday, meat will be processed into "standard cuts" and frozen (see standard cuts chart on the next page.)
- **The buyer is responsible for paying all slaughtering and processing fees.** Prices are subject to change without prior notification (see processing fee chart.)
- Orders left in storage more than two weeks will be subject to storage fees charged by the processor, unless prior arrangements have been made.

How much will pork, lamb, goat, and beef processing cost?

Cutting and wrapping charges are figured on a dressed weight (carcass weight) basis. You will pay the processor directly. These fees are not included in the animal purchase price. Actual prices at the time of sale may vary from those listed below. It is always a wise idea to check in with processors before the auction to check their availability. *If you require processing through USDA FSIS for resale, please check with individual processors for availability/options.

Buy Local Quality Meat

What if I don't need a whole animal?

It is possible for two or more buyers to purchase one animal together, choose a processor, then divide the animal (halves, quarters, etc.) Buyers who team together must do so on their own and jointly decide on bid price, as goats, hogs, and lambs are sold whole, by the pound. Beef and dairy beef will be sold by the whole or half, by the pound. We encourage bidders that are interested in sharing animals to work together in purchasing animals. We can give all buyers credit in thank you advertisements if you notify the 4-H office after the auction of additional buyer contacts.

How much meat will I get from an animal that I purchase?

These figures below are estimated based on industry averages. Animals that are not raised to full market weight and finish, or over finished will have different dressing percentages. Actual amounts will vary on each individual animal.

Beef

Let's use a 1,100 pound steer that will have a dressing percentage of 60%. This will give you a 660 pound carcass that will yield the following retail cuts:

Porterhouse, T-Bone, Strip Steak	6%	40lbs.
Round Steak	11%	74lbs.
Sirloin Steak	6%	40lbs.
Rib Steak	7.5%	50lbs.
Boneless Rump Roast	3%	20lbs.
Chuck Roast	17.5%	115lbs.
Hamburger	18%	119lbs.
Stew Meat & Misc. Cuts	8%	52lbs.
Bones, Fat	<u>23%</u>	<u>150lbs.</u>
	100%	660lbs.
Total Edible Meat		about 500 lbs.

Pork

Let's use a 245 pound hog for our example and assume it will have a dressing percentage of 70%. This will give you a 172 pound carcass that will yield the following:

Ham	19%	33lbs.
Pork Loin	14%	24lbs.
Bacon	14%	24lbs.
Spare Ribs	3%	5lbs.
Boston Butts	5.5%	10lbs.
Picnic Shoulder	7%	12lbs.
Pork Hocks	3%	5lbs.
Lard, Bones, Misc.	<u>34.5%</u>	<u>59lbs.</u>
	100%	172lbs.
Total Edible Meat		110lbs.

Lamb

Let's use a 100 pound lamb for our example and assume it will give you a dressing percentage of 50%. This will give you a 50 pound carcass that will yield the following:

Leg	34%	17lbs.
Loin	12%	6lbs.
Back	10%	5lbs.
Shoulder	30%	15lbs.
Breast, Flank, Shank (50% useable)	8%	4lbs.
Waste & Trim	<u>6%</u>	<u>3lbs.</u>
	100%	50lbs.
Total Edible Meat		about 46 lbs.

Meat Goats

Let's use an 80 pound goat for our example and assume it will give you a dressing percentage of 50%. This will give you a 40 pound carcass that will yield the following:

Leg	30%	12lbs.
Shoulder	21%	9lbs.
Loin/Back	11%	5lbs.
Rack	9%	4lbs.
Waste & Trim	<u>29%</u>	<u>10lbs.</u>
	100%	40lbs.
Total Edible Meat		about 33 lbs.

Broiler/Roaster Chickens

Let's use an 8 pound bird for our example and assume it will give you a dressing percentage of 75%. This will give you a 6 pound processed whole carcass. A sale lot will include two processed chickens.

How are animals being sold?

Market goats, hogs, lambs, beef, and dairy beef will be sold by the pound, live weight this year. All animals will be weighed on Saturday, August 10th. Goats, hogs, and lambs will be sold whole. Beef will be sold by the whole or half. The highest bidder on each beef will be able to select whole/half and the processor. If they choose half, the back bidder will have first chance at the second half. Broilers and baked goods will be sold by the lot, not by the pound.

How much will poultry processing cost and when do I pick up purchases?

All market chickens will be processed and frozen as whole chickens before the auction at HLW Acres in Attica. Processing is included with the bid price of poultry. The frozen products must be picked up by the conclusion of the Meat Animal Auction on Wednesday, August 14th at the Wyoming County Fairgrounds. Frozen poultry will be in styrofoam coolers and ready for pickup at the entrance to the red Youth Building.

How does the cake & pie portion of the auction work?

All proceeds from the Cake & Pie Auction go towards the Wyoming County Family & Consumer Science Program and are used to fund youth programming, youth building improvements, and FACS scholarships. 4-H Members prepare baked goods in their homes as a community service project and do not receive the auction proceeds. Baked goods will be available for viewing before the auction and picked up at the conclusion of the baked goods portion of the auction in the red Youth Building. Purchases must be picked up by the conclusion of the Meat Animal Auction.

How do I pay for my purchases?

Payment for all purchases must be made by the conclusion of the auction on Wednesday, August 14th. Cash, checks and credit cards are accepted. Checks should be made out to CCE Wyoming County. Credit cards are subject to a 3% service charge. Checks returned for insufficient funds will be subject to a \$25 service charge.

Can I donate an animal back for resale?

If you do not wish to take possession of animals purchased, you can donate purchases back for resale during the auction. All animals donated back, will be resold at the end of each species auction, to benefit the Wyoming County 4-H Livestock Scholarship Fund. This is the primary source of funding for our scholarship program.

How does animal processing work?

Auction buyers may choose to send purchased animals to a packing plant, resell them to a third party, donate them back to 4-H for resale, or take them home. Our cooperating processors will be present at the auction to take processing instructions. The buyer will pay all slaughtering and processing charges directly to the processor. Trucking of animals to designated packing facilities is provided free of charge, courtesy of the 4-H Livestock Committee unless noted in processor price sheet. Due to the great success and size of our auction, some animals may need to be held offsite until our local processors can accommodate them. We appreciate your understanding in this matter.

How do I register to participate at the auction?

WM Kent Inc. will be managing our auction along with our other long-time volunteer auctioneers – Mike Almeter, James Mason, and Kyle Welch. An online bidding option will be available for interested bidders not able to attend in person. Please check out the user terms and conditions before using this method. Bidders will register by creating a user account for the auction on their website: www.williamkentinc.com before the auction on Wednesday, August 14th. The traditional option is to join us in-person and register early in the afternoon before the crowd gathers. If you pre-bid online but come to the auction in person, please make sure to register in person and receive a bidder number.

2024 4-H LIVESTOCK SCHOLARSHIP RECIPIENTS

The Wyoming County 4-H Meat Animal Scholarship was created in 2018 for older meat animal project members that have actively participated in the program for the last four or more years. Since then, more than \$15,000 has been donated through animal resales during the annual auction; helping to create a self-sustaining scholarship program. The 4-H livestock program has a profound impact on participants, while they are raising animals, they learn many important life skills. This year's scholarship recipients are:

**Calvin Holland,
Freedom**

**Delaney Almeter,
Strykersville**

**Larissa Hyman,
North Java**

**Courtney Keem,
Arcade**

**Madelynn Olin,
Castile**

**Blake Siewert,
Perry**

**Abigail Paddock,
Perry**

**Marygrace Schenk,
Warsaw**

**Grace Zywiczyński,
Holland**

Congratulations to each of these outstanding 4-H livestock members who have learned how to raise quality meat animal projects in addition to important life skills that will serve them well into the future!

For more information on the Wyoming County 4-H meat animal livestock project or ways to contribute to this scholarship program contact the Wyoming County 4-H Office at (585) 786-2251 or email hmh62@cornell.edu.
