

# PUBLIC PRESENTATIONS

## ★ 2025 ★

The Public Presentation Program is frequently referred to as “the most beneficial and rewarding experience of all 4-H experiences”. Public presentations give 4-H members an excellent opportunity to research a subject, organize ideas in logical order, develop visual aids, and learn to speak effectively before groups. With each public presentation, there is an increase in self-confidence, poise, self-esteem, stage presence and knowledge. Public presentations can teach a 4-H'er lifetime skills that will be useful in his or her future social, educational and career pursuits.

It is important for 4-H'ers to begin doing Public Presentations at an early age and continue throughout their 4-H career. Public speaking skills develop over time, with experience and repetition.
