Saturday, October 15th 10AM  
*'The Meadows' - 2922 Two Rod Rd., East Aurora NY 14052*

Youth are encouraged to bring their horse or learn from demonstration about the different opportunities that the Ranch Riding Division has to offer. NYS 4-H has Ranch Riding as an opportunity, but our county hasn't traditionally offered ranch classes at shows and events. If there are enough interested youth to participate in this division, there is a potential to add some of these classes to the fair/qualifying show. Instruction will be led by Grace Carls, local horse judge. Please call the 4-H office ahead of time to register for this event.

*This qualifies as an educational event to participate in the 2023 Wyoming County Fair.*

### IMPORTANT REMINDER:

## Meat Animal Records

ARE DUE ON OCTOBER 15, 2022!

If you weighed in a meat animal project for the 2022 Wyoming County Fair, you need to submit a complete project record sheet, regardless of the degree of completion on the project to be eligible for the 2023 project year. Exhibitors will receive 20 bonus points for the 2023 project year for records received in the 4-H office on time.

**October 15th is a Saturday this year! Please plan accordingly to have your records postmarked by the 15th or physically handed into the office by 4:30pm on Friday the 14th. Please do not send records by FAX! (they are hard to read and lots of times pages are missing)**

(\*Even if you did not show and sell your animal you need to submit a project record to the 4-H office. If no record is turned in, you will not be allowed to participate in the 2023 meat animal program.)

Forms can be found online at: [www.wyomingcounty4H.com](http://www.wyomingcounty4H.com) or call the 4-H office.

**Please take time to say THANK YOU to all of the volunteers that made our 2022 4-H livestock shows & meat animal auction a success! (We could not do it without them!!!)**

# 2022 4-H LIVESTOCK SCHOLARSHIP RECIPIENTS

The Wyoming County 4-H Meat Animal Scholarship was created in 2018 for older meat animal project members that have actively participated in the program for the last four or more years. Since then, more than \$15,000 has been donated through animal resales during the annual auction; helping to create a self-sustaining scholarship program. The 4-H livestock program has a profound impact on participants, while they are raising animals, they learn many important life skills. This year's scholarship recipients are:

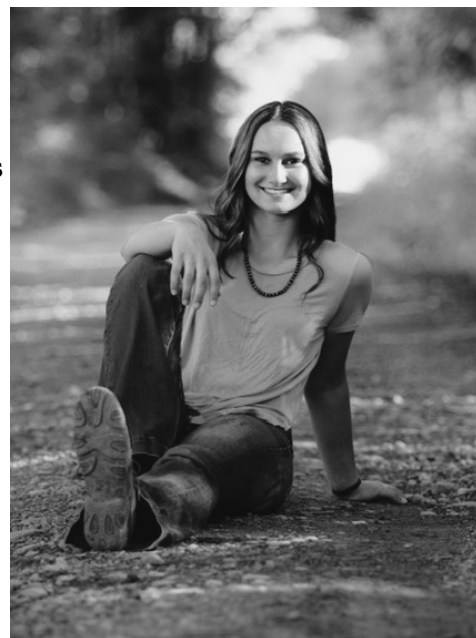

**Justin Baker, Warsaw**

**Ashley Bliss, Arcade**

**Kaitlyn Broughton, Silver Springs**

**Tyler Day, Arcade**

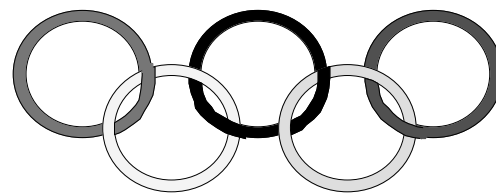

**Nathan Zywiczyński, Holland**

Congratulations to each of these outstanding 4-H livestock members who have learned how to raise quality meat animal projects in addition to important life skills that will serve them well into the future!

*For more information on the Wyoming County 4-H meat animal livestock project or ways to contribute to this scholarship program contact the Wyoming County 4-H Office at (585) 786-2251 or email [hmh62@cornell.edu](mailto:hmh62@cornell.edu).*
