- **Monday April 24<sup>th</sup>, 6:30PM;** Any 4-H club or independent member is invited to participate in this program! Please call the 4-H office by Friday April 14<sup>th</sup> to register.
- Explore the different regions of the United States, along with their cultures and heritage! With the United States being home to a variety of regional cuisine and the influence of immigrant groups past and present, we challenge you, as 4-H independent and club members, to select a U.S. region or city and research the origins of the foods we eat and their culinary histories and traditions! It's easy! As a club (or independent member), pick a region of the United States (or city) you are interested in exploring! Gather information on the region's cuisine, including styles of cooking or special dishes, and the history or origins of the food item(s) or recipes. As an opportunity to highlight what members learn from participating in this experience, Wyoming County 4-H will host a 'Delicious Destinations – Exploring Foods throughout the United States' event on Monday evening, April 24<sup>th</sup>. In planning for an evening that will be interesting and enjoyable for everyone, your club (or independent members) should be prepared to:
  - Share samples of a food/dish that is representative of your region/city with other participants. All food samples must be prepared prior to the event and prepackaged for distribution.
  - Plan a short presentation (5 minutes max) to share what you have learned with others.
  - Put together a small display highlighting what you learned by participating in the project (i.e., posters, photographs, clothing, recipes, etc.)

## ***CLOTHING REVUE***

- Clothing Revue packets were mailed earlier this week! An excellent opportunity to participate in a sewing project. Categories include traditional sewn clothing, upcycled clothing, or knitted and crocheted clothing. Please reference the revue information online as well! Clothing revue registrations are due Monday April 17<sup>th</sup>!
